

PROFRUVECA
PRODUCT AND SERVICES CATALOGUE

Caribbean Fruit and
Vegetable Processor

PROFRUVECA is a company located in the Madre Vieja Sur sector of San Cristobal province in the Dominican Republic, dedicated to the processing of fruits and vegetables for local consumption and for export.

We offer Dehydration Services or Development of Dehydrated Products: Eg: ginger, turmeric powder, powdered or flaked habanero peppers, mushrooms, as well as mango, pineapple, coconut, among others.

Other options in development capacity: compotes, sauces, fruits in syrup or canned.

We are a factory with brand development capacity private, both local and abroad.
